

RS 710 - Swing handle lock - suitable for RSB, SZB and RR enclosures.

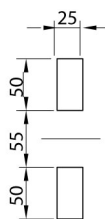

HOME > KATEGORIE > CLOSING SYSTEMS > RS-710 - SWING HANDLE LOCK - SUITABLE FOR RSB, SZB AND RR ENCLOSURES.

As a standard in RSB, SZB and RR enclosures there are RS-710 swing handle locks mounted. For this kind of lock as an option you can add patent or shape inserts. You can also order RS-710/U - espagnolette lock with padlock hasp or lock made of acid-proof steel.
